Sir,

With reference to enclosed indent I have the honour respectfully to draw attention to the fact that the total weight of the Plant is about 15,000. This "plant" is urgently required as *the 'Koranta ea Becoana'* it is the only channel through which the truth can be disseminated to the native population of Bechuanaland. I hope therefore that the weekly weight may be increased so as to allow of the machinery arriving here as soon as possible.

I have the honour to be,

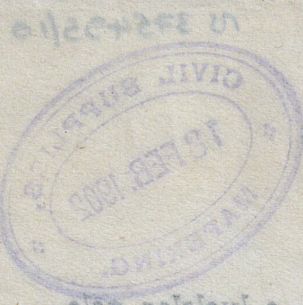

Sir,

Your obedient Servant
